## ***Message from the President:***

*Bay Point Members,*

*As a lot of you know USI temporarily suspended operations at the rifle & pistol ranges for a safety review. Two teams of experts are reviewing range safety, and reporting back. Mining of the ranges will also commence in the next week. The Board of Directors and management of USI are committed to making the ranges the best and safest in the country. This isn't easy for anyone. Rest assured, we are working diligently, to return to full operation as soon as possible. The shotgun range remains in full operation. Dust off your scattergun and give it a try. Impalement arts, and archery range also open.*

*Thanks  
Gary*
